

B-TAXI

Swiftly collapsible, lightweight and compact, easily fits in any car trunk

Safety: steel roll bar, tested up to 150 kg (330 lbs.) in case of overturn. Five-point safety belts to secure one or two children

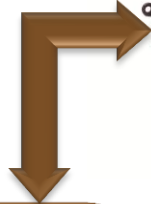

Velcro secured sunroof with close-mesh anti-bug net; high orange safety flag

Waterproof and easy-to-wash nylon canopy, front close-mesh anti-bug net plus waterproof transparent screen (both roll-up and Velcro secured)

Wide and deep back pocket: max weight 5 kg (11 lbs.)

Double security device anchoring system with two strapped-down mechanisms (for bike and trailer). If the cyclist falls the trailer will not overturn. Tow arm folds under the frame

Front bumper wheels protection, Honeycomb sturdy plastic frame (Bellelli patent) providing grater rigidity and strength

Push-button, swiftly-on/swiftly-off wheels. Increased visibility: 1 white front reflector, 2 yellow side reflectors per wheel, 1 rear red reflector, plus battery operated red backlight
